On **May 5th and 6th 2012**, **Rescue Ranger OPES** is hosting, for the first time, an ***Awake Aware Enlightenment Fair*** in Jackson, Michigan!

Jackson has never had a metaphysical fair like this before and This ***Awake Aware Enlightenment Fair*** is not your typical event. We set the stage with historic and artistic ambience of **ART 634's** Grand Gallery that showcases our **Body, Mind, and Spirit** vendors with style and character. This setting allows our exhibitors to make real connections with the *citizens of Jackson and surrounding communities*, resulting in an atmosphere of trust that leads to higher sales and a broader client base.

Curiosity surrounding the spiritual realm becomes stronger every year, especially in this year of 2012! This fair provides opportunities for the public to explore, sample and participate in FREE lectures, demonstrations and samplings. Our exhibitors will showcase a wide variety of goods and services to the growing public demand in the quest for self-knowledge, physical well-being and spiritual enlightenment.
